Any additions to the agenda or submission of additional proposed resolutions on matters already on the agenda, as well as the report prepared by the requesting shareholders accompanied by any opinions of the Board of Directors, will be published by the Company, in the legally required manner, at least fifteen days before the date of the Meeting.

Additions to the agenda are not permitted for matters on which the Shareholders' Meeting adopts, by law, resolutions proposed by the Directors or resolutions based on a proposal or report prepared by the Directors, other than those envisaged by art. 125-ter, par. 1 of Italian Legislative Decree 58/98.

Appointment of the Board of Statutory Auditors

It is recalled that pursuant to art. 21 of the By-laws, the Shareholders' Meeting is required to appoint a Board of Statutory Auditors consisting of three standing members and two alternate members who remain in office for three financial years, with their mandate expiring on the date of the Shareholders' Meeting convened to approve the financial statements relating to their third financial year in office.

The appointment of members of the Board of Statutory Auditors takes place on the basis of slates.

Those shareholders who, alone or together with others, represent at least 1% of ordinary capital are entitled to present slates. Ownership of the minimum shareholding needed to present slates is determined on the basis of the shares registered to the presenting shareholders on the day the slates are filed. The related notice of shareholding can be produced even after filing, provided by 18:00 CET on Tuesday, 26 March 2013.

The slates, signed by the presenting shareholders, must be filed at least twenty-five days before the date of the Shareholders' Meeting, meaning by 18:00 CET on Friday, 22 March 2013, at the Company's registered office (Viale Sarca 222 – Milan) or sent via email to corporate-pryspa@pec.prysmian.com, within the same deadline. These slates, together with the accompanying documentation, will be made publicly available at the registered office, on the Company's website www.prysmiangroup.com and in the other ways envisaged by Consob (Italy's Stock Exchange Commission) at least twenty-one days before the date of the Shareholders' Meeting.

Each shareholder can present or contribute to the presentation of only one slate and each candidate may appear on only one slate, otherwise they will be disqualified.

Every slate presented must be accompanied by:

- (i) information concerning the identity of the shareholders who have presented the candidate slates, indicating their overall shareholding;
- (ii) a declaration if the presenting shareholders do not, individually or jointly, hold a controlling or majority interest in the Company, in which they state the absence of any connection, as defined by art. 144-*quinquies* of Italian Legislative Decree 58/98, with the controlling or majority shareholders. Shareholders are invited in this regard to take account of the recommendations contained in Consob Communication DEM 9017893 dated 26 February 2009 on the "Appointment of members of the board of directors and board of statutory auditors";
- (iii) a curriculum vitae containing each candidate's personal and professional details, indicating the directorships and statutory auditorships they hold in other companies, also for the purposes of art. 2400 of the Italian Civil Code. It should be noted in this regard that the office of statutory auditor cannot be assumed by persons who hold the office of statutory auditor in five issuers, or who hold a number of directorships or statutory auditorships in other companies that exceeds the overall limit

established by law;

- (iv) a statement by each candidate confirming that there are no reasons of ineligibility or incompatibility for holding the position, that he/she meets the requirements for the office of statutory auditor, as set out in law and the Company's By-laws, and that he/she accepts his/her candidacy. It should be noted in this regard that each candidate must satisfy the independence requirements established for statutory auditors under art. 148, par. 3 of Italian Legislative Decree 58/98, and must also declare their eligibility to qualify as independent pursuant to art. 3 of the Self-Regulatory Code for listed companies issued by Borsa Italiana S.p.A. (the Italian Stock Exchange) and adopted by the Company. Each candidate must also declare that they satisfy the professional competence and integrity requirements established by Ministry of Justice Decree 162 dated 30 March 2000. In particular, for the purposes of art. 1, par. 2, letters B] and C] of the above Ministerial Decree, the business sectors and fields viewed as strictly pertinent to the Company are those relating to the Company's sector of operations, as well as fields relating to private and commercial law, economic disciplines and those relating to the Company's business sector.

Every slate must have two sections: one for the appointment of standing statutory auditors and the other for the appointment of alternate statutory auditors. The first candidate in each section must be a member of the special register of statutory auditors. The number of candidates on each slate cannot exceed the number of statutory auditors requiring election; each slate lists the candidates with a sequential number. Every shareholder entitled to vote may vote for only one slate.

Slates with a total number of candidates equal to, or greater than, three must comprise candidates from both genders, so that at least one third (rounded upwards) of the candidates for the office of standing statutory auditor and at least one third (rounded upwards) of the candidates for the office of alternate statutory auditor belong to the less well represented gender in that slate.

On completion of voting, the following will be declared as elected:

- two standing statutory auditors and one alternate statutory auditor, from the slate with the highest number of votes, based on the numerical order in which they are listed in the respective sections of that slate;
- the third standing statutory auditor and the other alternate statutory auditor, from the slate with the second highest number of votes, based on the numerical order in which they are listed in the respective sections of that slate. In the event of a tie between two or more slates, the most senior candidates in age are elected until all the positions have been filled.

If the above procedures do not ensure that the composition of the standing members of the Board of Statutory Auditors complies with the regulations on gender balance, the necessary replacements will be made from among the standing statutory auditor candidates on the slate with the highest number of votes, in accordance with the numerical order in which candidates are listed.

For more details on how to vote for the slates presented and the candidate election mechanisms that comply with regulations to safeguard minority shareholders and gender equality, please refer to art. 21 of the By-laws, available on the Company's website www.prysmiangroup.com (under Investor Relations/Corporate Governance) or at the registered office.

In the event that by 22 March 2013 only one slate has been filed, or only slates presented by shareholders connected to each other, the deadline for submitting slates will be extended by three days following that date, meaning until 18:00 CET on Monday, 25 March 2013, and the minimum shareholding required for slate presentation will be reduced to 0.5% of share capital.

Any changes that occur up to the date of the Shareholders' Meeting must be promptly notified to the Company.

Slates submitted without complying with the foregoing provisions will be disregarded.

Lastly, candidates are advised to authorise the publication of their curriculum vitae on the Company's website.
